Online Student Orientations

Below are 3 separate parts of the online orientation.

**Part 1: What's Next**
The first part is a general introduction to online learning basics at Collin College.

When you click the link below, a separate page will open and the tutorial will automatically start. The page that you are currently on will stay open so you can proceed to the next part when this part finishes.

The tutorial player functions for Part 1 should you need to rewind, pause etc:
(1) Rewind to the beginning (2) Pause/Play (3) Go back to the last slide (4) Go forward to the next slide (5) Time line: where you can move forward and backward in time (6) Volume control (7) Closed captions(not available) (8) Exit (9) Information about the tutorial.

[Click here to go to Part 1: What's Next]

**Part 2: Technology Requirements**
This second part covers specifics about how to access online courses, computer and internet recommendations and an indepth look at the components of an online course.

As with Part 1 tutorial, when you click the link below, a separate page will open and the tutorial will automatically start. This page that you are on right now will stay open so you can proceed to the next part when this part finishes.

The tutorial player functions for Part 2 should you need to rewind, pause etc:
(1) Play (2) Pause (3) Stop/Rewind to the beginning (4) Time line: where you can move forward and backward in time (5) Volume control (6) Elapsed time

[Click here to go to Part 2: Technology Requirements]

**Part 3: Library Resources**
This last part looks at the various online resources such as ebooks, pictures and videos that are available to online students by the Collin library and how to access those resources.

When you click the link below, a separate page will open and you will need to push the middle "play" button to start the tutorial. (go to page 2)
The tutorial player functions for Part 3 should you need to rewind, pause etc:
(1) Pause/Play (2) Time line: where you can move forward and backward in time (3) Volume Control (4) Full screen mode, ESC to exit Full screen mode (5) Elapsed time
